Veteran Educator Retires for 'Restful' Retirement

When a man retires after years as an educator and is on doing a lot of resting, there is nothing he appreciates more than a comfortable lounge chair and a matching stool.

Charles D. Hall has such a chair when he retires. On Saturday as principal of Manual High School, he is going to make a few additions. He has a long-term plan for the school. He was born in Colorado and taught in an avid reading habit. The chair for Hall's other hobbies, which include fishing and hunting. He was formerly a devoted skier, and that vigorous pastime.

ROCKY MOUNTAIN NEWS

Manual's Principal To Retire in Spring

Charles D. Hall makes no bones about it. When he retires next month as principal of Manual Training School, he's "going to miss it a lot."

He has no activities saved up for all the free time he will have, because he has been doing what he likes best during his 42 years as a teacher.

One suspects—though Mr. Hall doesn't say so—that he'd just as soon March 19 could be postponed. That date marks his 67th birthday and means automatic retirement.

D. Hall are less deeply involved. He is an educator will Manual just as drawn for a new Manual High School. He is included in the school bond.

Retiring Principal Gains in Education

By ALEX MURPHREE, Denver Post Staff Writer. As Charles D. Hall, Manual Training high school principal, approaches March 19, the date of his retirement after more than forty years of teaching, he looks at the progress of education and the good.

Hall came to Denver thirty-eight years ago after teaching in City and Wheat Ridge. He was a principal twenty years of which was in the Place ele...

Hall to Retire Manual Principal

"If I had thought of it time," said Mr. Charles D. Hall, principal of Manual Training High School, "I would have been in track of all the students in class. The number would run into thousands." In years that Mr. Hall has teaching he has led a varied probably rather harried life.

Mr. Hall started teaching the spring of 1908. His first year was spent at Wheat Ridge High School teaching science and mathematics. He then came to Manual High School for a three-year "stretch," teaching science, mathematics and coaching. Upon being "passed" in 1911, he came to Denver and was to spend the rest of his teaching career.

CHARLES D. HALL. President of Teacher Association. Pupil of Mr. Hall's at Manual.

Mr. Hall said his Manual has been a very interesting and challenging cause of the school's character. Its enrollment is 22 percent Negro, 22 percent Spanish-American, 22 percent Oriental. "Students at Manual Training high school have an appreciation of the 'challenge' of our school," he said. "In our school we have an enrollment made up of about 22 percent Negroes, 14 percent Spanish-Americans, 7 percent Orientals," Hall pointed out.

FOOTBALL

The football team got off to a good start this year with a victory over West. The cockle burrs and the gravel began, however, to take their toll, and the team lost several games before roundly trouncing East in a fine exhibition of rock-em, sock-em football. This victory did a lot for making the season a successful one.

THUNDERBIRDS

Hail to the THUNDERBIRDS, our very active pep club, for their much appreciated representation of the student body at football and basketball games, and at pep rallies and parades during this last year. Thanks to them also for the very fine annual Homecoming Dance, which was this year a tremendous success.

GOLF

Coach Dave Gorham reports that this year Manual's golf team was building for the future. It is also reported that the standings are not a true reflection of the team's real worth and fine potentialities.

N.S.O.

The N.S.O. is a service-social club composed of Japanese-American students. The aim of the club is to help all Nisei students take an active role in the affairs of the school. This year the club, under the capable leadership of Min Chado, sponsored the Red Cross Assembly and made a contribution for the French Orphan unequalled by any other group. The club also participated in the Brotherhood Week program.

CHRISTMAS

PAGEANT

The traditional Christmas pageant was, as always, very impressive. This was due to the capable direction of Miss Daly, and the fine cooperation of her speech classes. The exceptionally good choral accompaniment was done by the A Cappella Choir.

The Shafroth Contest is an extemporaneous speaking contest in which all of the high schools in the city compete. This year the contest was held at Manual, and we were ably represented by Margaret Gutierrez and Paul Molliconi. Although we did not take top honors, Margaret's delivery was particularly noteworthy.

50-50 CLUB

The 50-50 Club is primarily a dancing and social club, and is called 50-50 because there is an equal number of boys and girls in the club, despite the extra boy in the picture. Mr. Hunter, the sponsor, is the only one allowed to stag it to the parties, much to his enjoyment. This year the club sponsored the highly successful Young Hearts Fling, at which time Claude Gallegos was elected the Kings of Hearts because he was the cutest boy at the dance.

TRACK

Manual's track aggregation lacked experience this year, but Coach Cruter, the popular new coach, informed us at the beginning of the season that with the aid of six returning lettermen he would have some surprises in store for the favorites. This prediction was fulfilled in the first meet when, in miserable weather, Manual took West's measure, 70 to 50.

THE BEST IN MUSIC

This year the dance band contributed much toward the entertainment and enjoyment of the school through their performances at assemblies and in the Talent Show. It is pleasing to know that many of our dance band members play in bands outside of school, which indicates they are gaining useful experience under the leadership of Mr. Prud'homme. Who knows, perhaps another Barclay Allan or Edwin MacArthur might be in our midst!

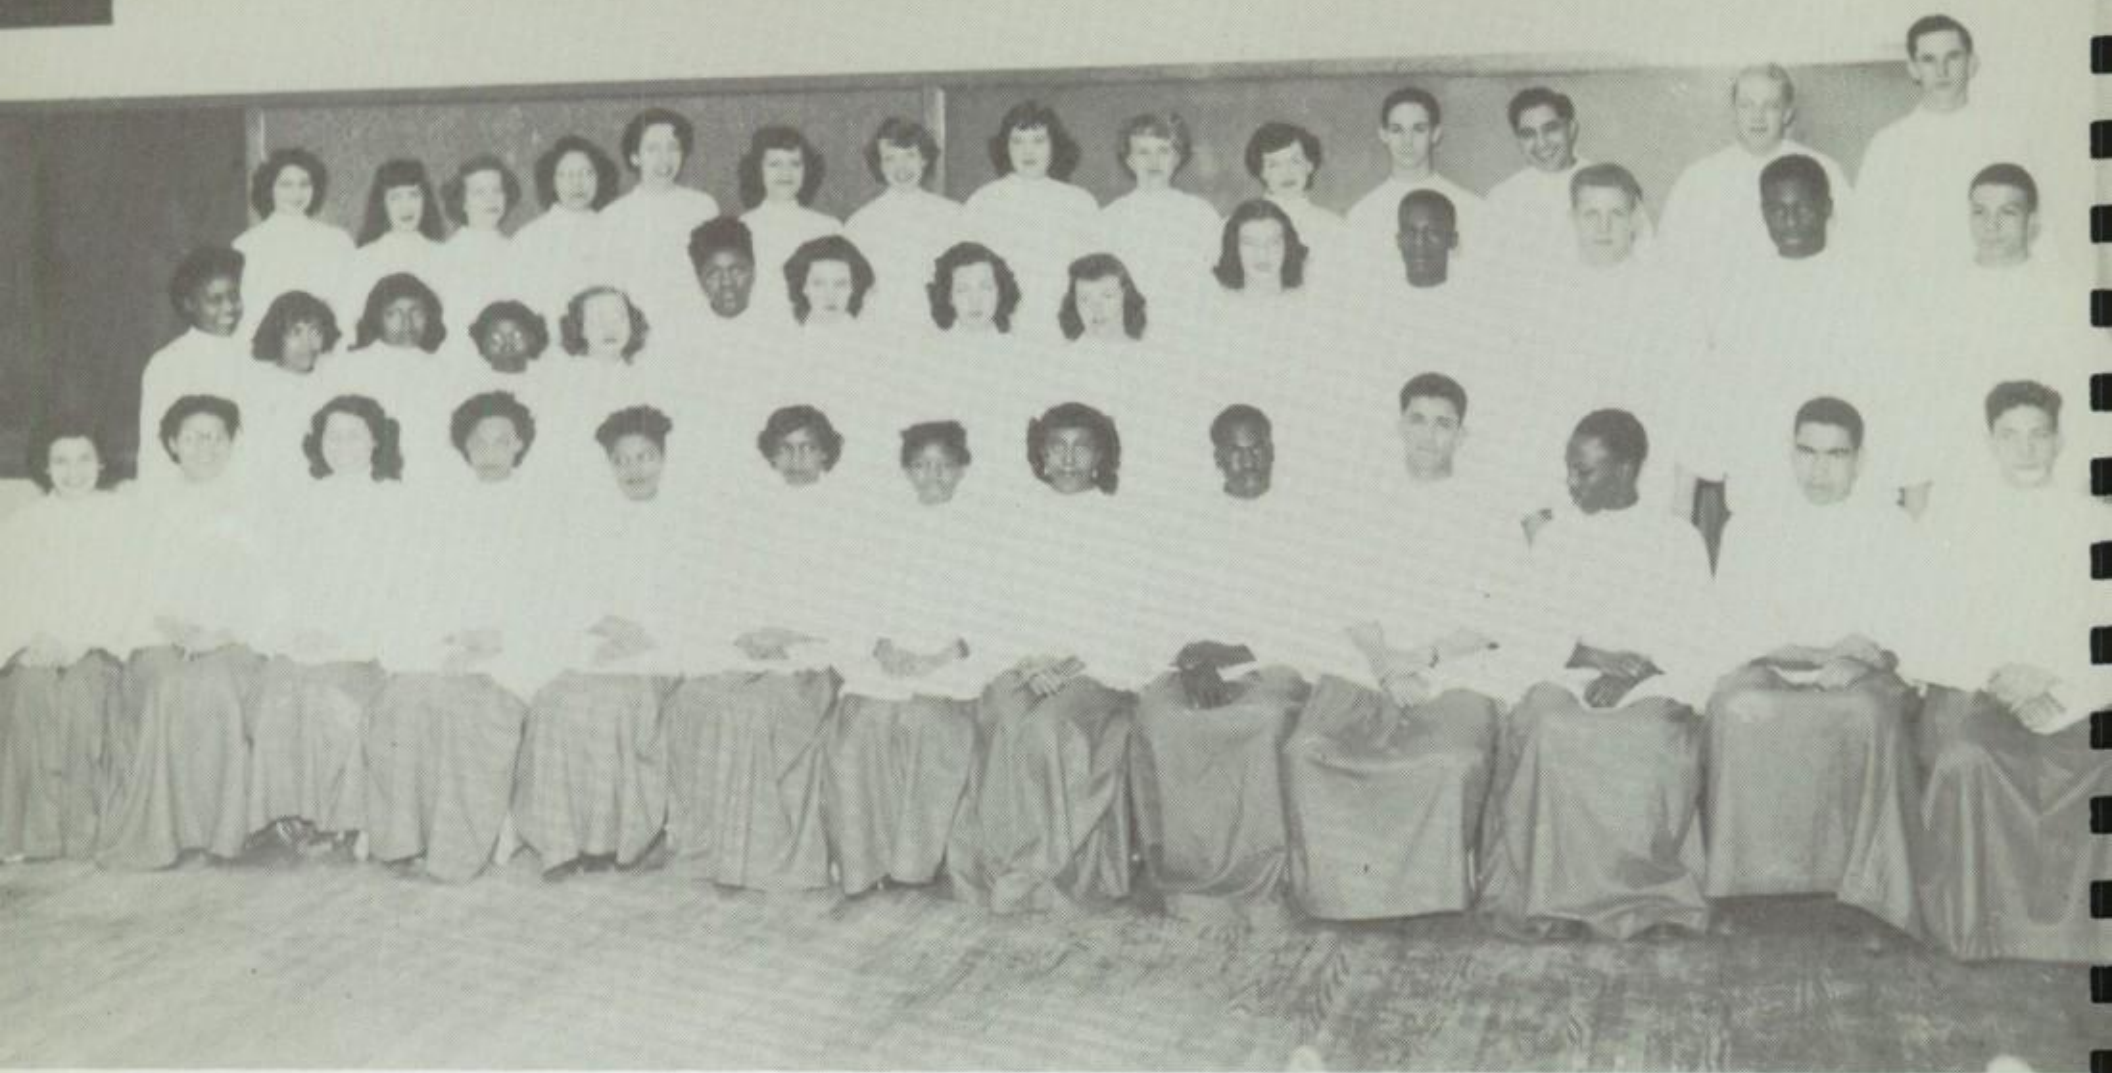

The band made more public appearances this past year than any other organization within our school. The band is known throughout the city for its performances at parades, sport events, and for its contribution to Music Week. Due to the hard work of all the band members, and the able direction of Mr. Prud'homme, our band is recognized as one of the finest in the city.

Manual's orchestra this year performed ably many times for the P.T.A., civic groups, and for different elementary schools. The orchestra played some pretty mean Bach, but according to Mr. Prud'homme, the success of the group was due in part to the use of large amounts of beep-bop in the arrangements . . . or was it the lack of it? What was it he said?

A CAPPELLA CHOIR

TRIPLE TRIO

To the people shown on these pages, and particularly to the chorus, Manual owes a large debt of gratitude. Throughout the year the chorus has given unstintingly of its time and efforts in bringing good music to us. We especially thank the chorus for "Dry Bones," and the beautiful Christmas music.

SENIOR PLAY

The Senior Play this year featured Elizabeth Knowles, Tom Campbell, and Elmer Montano, in "Night of January 16." THUNDERBOLT

Getting the yearly edition of the Thunderbolt to press is a task beset with many difficulties, namely

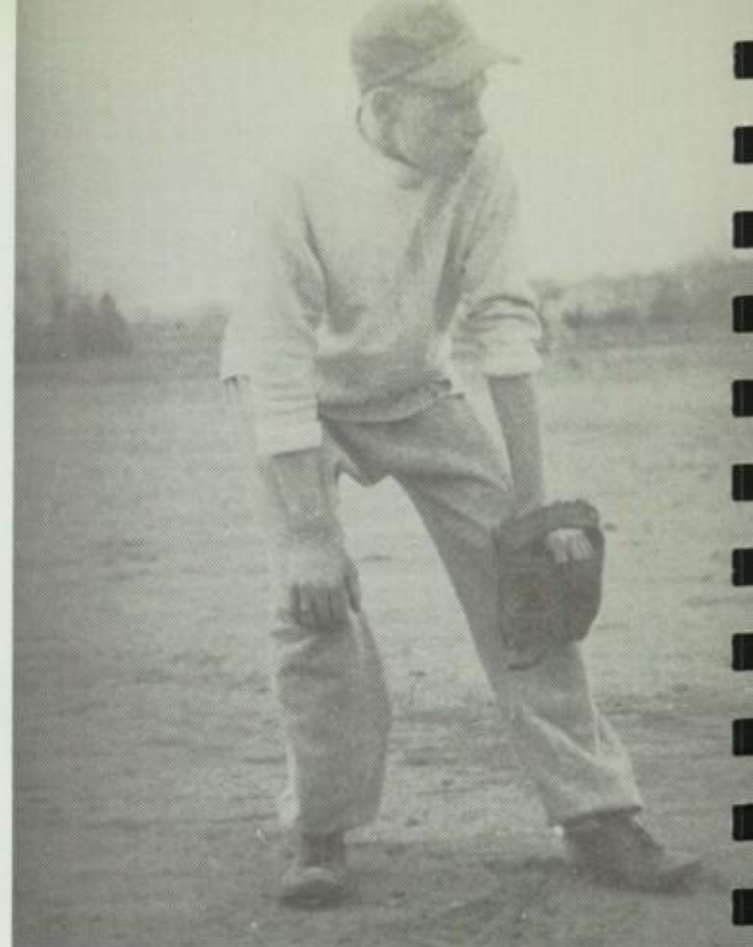

THE BRICKLAYER

Our hats are off to the Bricklayer staff and their very capable sponsor, Mrs. Bailey. Getting copy ready, meeting deadlines, getting pictures, pasting up, and sweating out the printer on each issue is a tough job, and every member of the staff deserves a vote of thanks for his hard work throughout the year.

BASEBALL

When interviewed, Coach Gorham reported that he didn't expect to win more than all of the games his team will play this spring. We didn't like to see him crying in his towel, so we reminded him that it was probably due to the fact that he has only six returning lettermen to rely on. One of the coach's bitterest regrets was that he had to cut from the squad the man in whose car he was riding to City Park each day.

G A C

This is the female counterpart of the M-Club. The requirements are: (1) Know how to wrestle. (2) Be 6 ft. tall. (3) Wear your letter sweater three times a week.

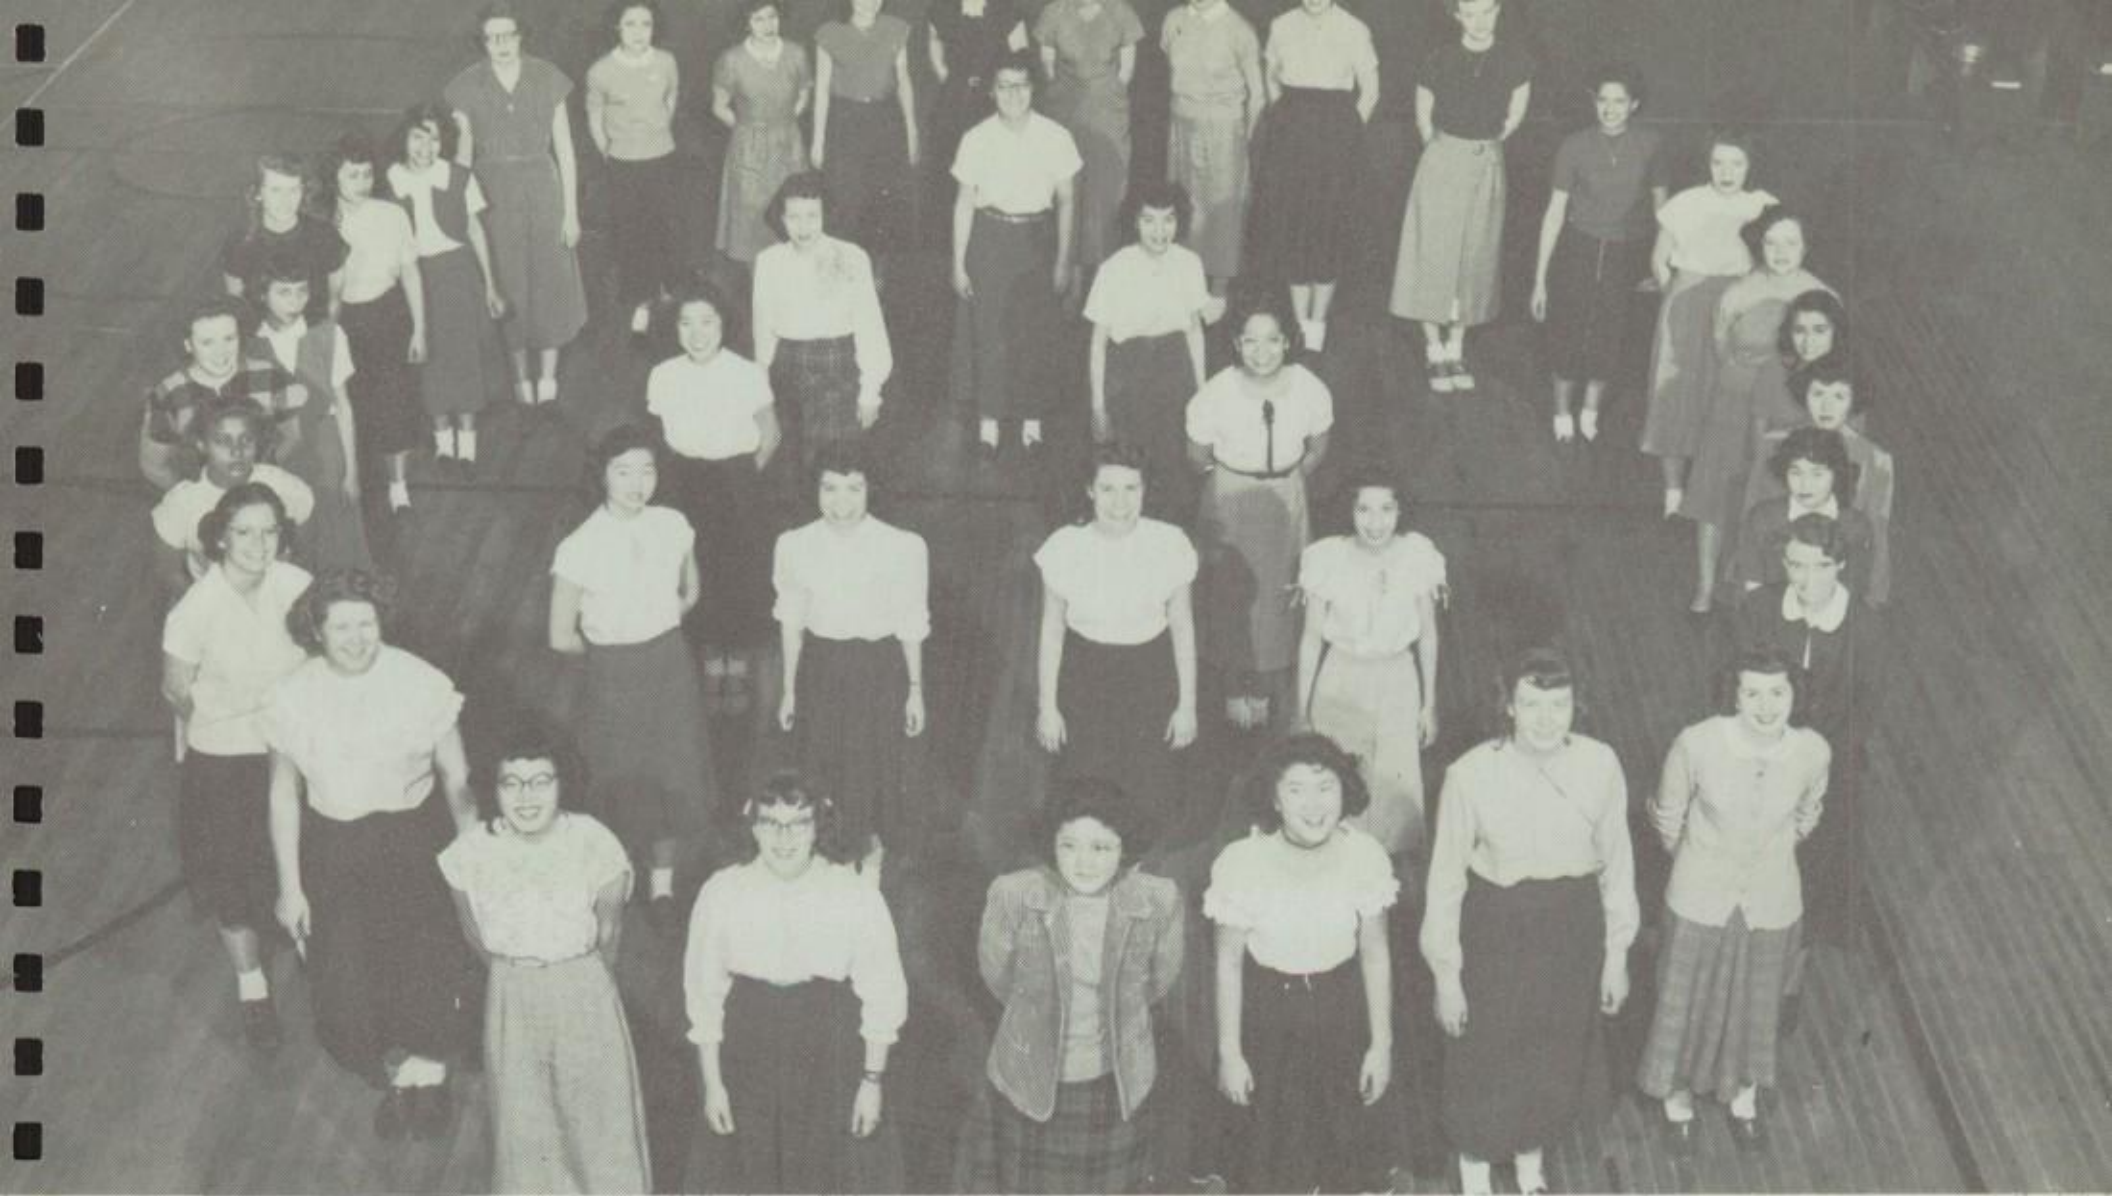

HI-LITES—This club attempts to foster good inter-racial relations in the school. The group has not been too active this year, but it is felt that some goals have been achieved.

First row: J. Tennison, D. Sudduth, E. Wheeler, B. Jones, B. Barnes, A. Reece, M. A. Roper. **Second row:** W. Rhodes, N. Kirk, J. Bolden, T. Mallard, M. Watkins, B. McIver, F. Freeman, W. M. Leali. **Third row:** N. Carter, A. Bolden, M. Talley, J. Henderson, Vice-Pres., K. Serina, J. Gatewood, E. Wellington, D. Johnston.

M. S. S. C.—Just what this club does is a mystery to us—and its officers too. In this first year of organization the aims and ideals still remain in a nebulous state.

First row: J. Valdez, M. Gonzales, A. Ruiz, H. Estrada, E. Griego, B. Romero, C. Grajeda, G. Atencio. **Second row:** R. Gonzales, D. Vigil, C. Romero, E. Olquin, A. Mitotes, B. Quintana, E. Martinez, S. Marquez, A. Hernandez, F. Hernandez, I. Chavez. **Third row:** V. Lovato, J. Trujillo, M. Rodriguez, L. Garcia, R. Oskel, D. Martinez, R. Sandoval, A. Montoya, L. Valdez. **Fourth row:** H. Morales, J. Lopez, R. Charlifu, S. Sanchez, D. Gonzales, D. Cruz, R. Diaz, J. Trujillo, S. Gurule, N. Valdez, T. Torres.

This active, full-of-life group is organized through the local Y.W.C.A. They sponsored this year a very successful rally, at which the faculty men played the girls in a riotous basketball game.

On Circle Clockwise: Miss Lillian Hall, Sponsor; E. Vigil, R. Mayer, J. Fujita, A. Takeshita, B. Slusser, M. Osumi, J. Halm, Treas., R. Bivians, J. Tennison, S. Huckaby, L. Valdez, C. MacIntosh, B. Alarid, J. Trujillo, H. Mackintosh, R. Osckel, Pres., M. Garcia, B. DeBaca, D. Gonzales, L. Gallegos, T. Torres, S. Becknell, H. Bork, J. Espinoza, R. DeYorio, E. Nerim, C. Sanchez, H. Montoya, F. Kajiwaru. **On Triangle Clockwise:** J. Mendoza, S. Gurule, H. Morales, D. Cruz, B. Soneff, B. Quintana, F. Kawamura, L. Yasumura, Sec., S. Alarid.

Y-TEENS

This inter-racial club is known for its dependability in collecting money for the various drives conducted by the students. The club is considering admitting only boys who are over 6 ft. tall and weigh 180 lbs. The size seems to help in getting money from students.

First row: D. Dixon, T. Campbell, A. Mitotes, E. Knowles, M. Khouriy, B. DeBaca, J. Burkland, E. Nickel, S. Dillon, M. Baker, C. Gallegos. **Second row:** P. Molliconi, J. Henderson, H. Mackintosh, J. Aochi, R. Swynenberg, M. B. Hughes, C. Jaramillo, M. Jones, Y. Furukawa, B. Yamato, E. Young. **Third row:** G. Eckenroth, D. Jenkins, C. Maes, D. Archuleta, B. Taylor, W. Hopkins, J. Rosenbach, E. Montano, F. Rowell, P. Beck, D. Yetter.

MASON CLUB

HANDIWORK

AMAPHOGS

These budding amateur camera addicts spend their time outside of class with light meters and lenses, hypo and developer. No group enjoys itself more than this one—especially in the darkroom.

First row: G. Clifton, J. Tennison, F. Aquilar, C. Chambers, S. Hensley, D. Dixon, H. Mackintosh, J. Burkland, V. Mackintosh. **Second row:** F. Ciancio, P. Kozik, A. Guyer, E. Low, R. Uyenishi, L. Markwood, C. Hillen, N. Millsap, R. Swynenberg.
